We are a nonprofit organisation.

Please tick the box if applicable. This is not a binding criteria for the selection, but rather information for our internal logistical organisation.

What is your organisation's, group's, alliance's name? (applicant)

Introduction of applicants (organisation, group, alliance, etc)

Please introduce yourselves briefly (1000 characters max.). How many people are you?
How did your group come together?

You can apply for and receive the funding as an informal group, a non-profit organisation or as a local alliance. Projects by individuals will not be funded.

Place of project's execution

Bundesland

Region

Please name at least one administrative district (region, city, village, district...)

Project name

Project description

Please describe your project (1.500 characters max.). This is your opportunity to introduce your project in your own words.

Detailed project description

Here you are asked to give us a structured overview of your project by responding to a few questions.

What local challenges or problems are you looking to tackle with your project? What is your goal? (1.500 characters max.)

What activities are you planning for within your project? (1.500 characters max.)

The Aktionsfonds ViRaL is a cooperation of:

| BertelsmannStiftung

What impact do you expect your project to have? What do you want to change locally?
(1.500 characters max.)

How will you be able to realise the activities planned for your project? Which resources and networks can you access in order to achieve your impact?(1.500 characters max.)

Which local actors and institutions will you collaborate with?

The Aktionsfonds ViRaL has the goal of encouraging local cooperation of different parties. (1.500 characters max.)

Implementation

Please create a vague timetable for your project's activities.

Projects can start from September 2018 onward and must be finished until September 2019. (1.500 characters max.)

How would you use the 5000€ for your activities? Please create a financial plan.
Projects by individuals or the renting of office rooms are not applicable for funding.
Further information on what can be funded and what cannot is to be found in the [FAQs](#).
(1.500 Characters max.)

How do you plan the audio-visual documentation of your project and how would you disseminate it? (1.500 characters max.)

Thank you for your application!
